# Dress Standards and Uniform

---

High standards of dress are essential for the testimony of our school and for individual development of cleanliness and grooming. Grooming reflects an inner heart-attitude and all students are required to follow the school's dress standard.

The school uniform provides public identification of the school, a sense of pride and belonging amongst students, cost benefits for parents and the removal of perceived status differences between students.

An important factor behind the school uniform is the concept of genuine modesty. Students are encouraged to find their identity within Christian community rather than attempting to make statements of personal individualism. The real issue of modesty is not so much about what a student wears, but about a heart attitude that seeks not to draw attention to themselves. Students should be encouraged to willingly wear the school uniform with a sense of pride, honour and respect.

School uniform is compulsory from Kindergarten to Year 12. All clothing should be clearly labelled. Uniform items must be purchased from the Uniform Shop except footwear and Kindergarten and Pre-Primary denims. Items purchased elsewhere may not comply and may need to be repurchased.
